ARTICLE 8 - GRIEVANCE PROCEDURE

8.01 Definition: In this Article and Article 10, "day" means a working day in the Corporation's Human Resources Department.

8.02 Step One

It is the desire of the parties that complaints of seniority employees be adjusted as quickly as possible. It is understood that an employee has no grievance until the employee has first given to his/her immediate Supervisor an opportunity to adjust the complaint. If an employee has a complaint, he/she shall discuss it with his/her immediate Supervisor within five (5) days of the date of the alleged occurrence (or being informed by a pay cheque stub) and the immediate Supervisor shall, following investigation, give a verbal reply within five (5) days. In discussing such complaint the employee may be accompanied by a member of his/her Union Local's Grievance Committee or a Steward. Failing immediate settlement and within five (5) days of the immediate Supervisor's reply, the grievance may be reduced to writing and processed in the following manner and sequence.

8.03 Step Two

The employee(s) assisted by his/her Steward or a member of the Union Local's Grievance Committee may present his/her alleged grievance to his/her immediate Supervisor in writing on a standard C.U.P.E. grievance form. Such grievance shall include:

- the date of presentation
- the nature of the grievance
- the remedy sought
- the cause or clauses of the agreement allegedly violated
- the alleged occurrence said to have caused the grievance

Failing immediate settlement, the immediate Supervisor, in consultation with his/her Manager shall, after investigation, deliver his/her decision in writing within five (5) days.

8.04 Step Three

Failing settlement at Step Two, the grievor and the Grievance Committee may within seven (7) days of the decision at Step Two, present the grievance to the Department Head concerned who shall have ten (10) days within which to investigate and reply, or have his/her designate investigate and reply to the grievance. Designate for this purpose will generally be those Managers within the respective departments.

8.05 Step Four

Failing settlement at Step Three the Grievance Committee and the grievor may within fifteen (15) days of the decision at Step Three, present the grievance to the Director of Human Resources who shall have fifteen (15) days within which to investigate and reply to the grievance.

Failing settlement, the Grievance Committee may proceed to Arbitration provided notice of such intent and the name of the Union's nominee to the Arbitration Board is received in writing by the Corporation within fifteen (15) days of the reply at Step Four.

8.06 Grievances settled satisfactorily within the time allowed shall date back to the time of the occurrence which led to the grievance.

8.07 The Corporation shall supply the necessary facilities for grievance meetings.

8.08 It is expressly understood that the time limits fixed in both the grievance and Arbitration procedures may be extended by agreement in writing between the parties. Where no such agreement has been made, or where an agreed-upon extension has expired:

The grievor or the Union Local's Grievance Committee as appropriate, may proceed to the next step of the procedure if the appropriate Corporation official exceeds the time allowed to act.

Notwithstanding any other provision elsewhere, the Corporation may consider the grievance abandoned if the grievor or Union Local's Grievance Committee exceeds the time allowed to act.

8.09 A dispute involving a question of general application or interpretation of this Agreement may be filed by the Union Local's Grievance Committee at Step Three of the grievance procedure within ten (10) days of the date of occurrence. The Union President, or identified designate, shall sign all policy grievances. The parties agree that it is mandatory that any unresolved grievances filed under this Article will automatically be referred to a public or private Grievance Mediation Officer prior to proceeding to Arbitration.

ARTICLE 9 - ARBITRATION

9.01 With respect to Arbitration, and in accordance with the relevant provisions of the Labour Relations Act, Section 48 of the Labour Relations Act may be invoked by either party after the grievance procedure has been exhausted to resolve any difference relating to the interpretation, application, administration or alleged violation of this agreement.

- 9.02 No Board of Arbitration or single Arbitrator appointed pursuant to the provision of this Agreement or pursuant to Section 48 of the Labour Relations Act has any jurisdiction whatsoever to alter, modify, amend or make any decision inconsistent with the provisions of this Agreement. No matter may be submitted to Arbitration, which has not been properly carried through all requisite steps of the grievance procedure.

ARTICLE 10 - MANAGEMENT GRIEVANCES

- 10.01 The parties recognize that the Corporation may present to a meeting of the Grievance Committee any complaints or grievances and that if such complaints or grievances are not settled to the mutual satisfaction of the conferring parties they may be referred to Arbitration as set out herein. Such grievances must be filed within seven (7) working days of knowledge of the occurrence.

ARTICLE 11 - SPECIAL GRIEVANCES

- 11.01 Where a seniority employee has been suspended or discharged, the grievance will go directly to Step Three within ten (10) days. Such grievance may be settled by confirming the Corporation's action or by reinstating the employee with full compensation for the time lost or by any other arrangement which is just and equitable in the opinion of the conferring parties or Board of Arbitration or single Arbitrator if the Arbitration procedure is invoked.
- 11.02 The Local Union's Secretary shall be notified by the Corporation when a seniority employee is disciplined, suspended or discharged. Such notice shall be sent to the Union Local's Secretary at the same time as the employee is notified.
- 11.03 An employee shall have the right to have their Steward present at any discussion with supervisory personnel which the employee believes might be the basis of disciplinary action. Where a Supervisor intends to interview an employee for disciplinary purposes, the Supervisor shall notify the employee in advance of the interview in order that the employee may contact his/her Steward to be present at the interview. The employee may waive, in writing, such right to have a Steward present.
- 11.04 A written disciplinary action imposed upon an employee shall be considered purged from the employee's personnel file and invalid for purposes of further disciplinary action twelve (12) months after imposition unless there is repetition of the same offence within such twelve (12) months.
- 11.05 Every employee shall be notified of the name of his/her immediate Supervisor.

11.06 Job Evaluation (Only)

Employees do not have the right to grieve a decision of the Job Evaluation Committee. In accordance with the Job Evaluation Manual, after all the appeal processes are exhausted, an employee or group of employees can appeal to a mutually agreed upon 3rd party Mediator. Decision of this Mediator is final.

11.07 An employee shall have the right to have access to review his/her personnel record and make copies of any material contained in his/her record. Such access may be gained by making an appointment with the Human Resources Department. Such review and copies will be undertaken and made under the scrutiny of the Director of Human Resources or designate.

ARTICLE 12 - NO STRIKES OR LOCKOUTS

12.01 In view of the orderly procedure established for the disposition of the employees and/or Management's complaints and grievances, the Corporation agrees that it will not cause or direct any lock-outs of its employees for the duration of this Agreement and the Union agrees there will be no strikes or other collective action which will stop or interfere with the services of the Corporation for the duration of this Agreement.

13.02 Any employee who accepts an appointment to a position not subject to this Agreement and properly returns, shall not be eligible for subsequent transfers out of the bargaining unit until completing three (3) consecutive months in a Bargaining Unit position.

ARTICLE 14 - LAY-OFFS

14.01 Definition: A lay-off shall be defined as a reduction in the workforce as generated by the employer.

(a) Role of Seniority in Lay-Offs

Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a lay-off, employees shall be laid off in the reverse order of their respective Bargaining Unit seniority. An employee about to be laid off may displace any employee with less seniority, providing the employee exercising the right is qualified to perform the work of the employee with less seniority. The right to displace shall include the right to displace up. Upward displacement will occur only if the employee has previously occupied the position.

In order that the operations of the Union will not become disorganized when lay-offs are being made, members of the Local Executive Board and the Chief Stewards shall be the last persons laid off within their Local during their term of office, as long as full-time work, which they are qualified to perform at their own or a lower wage level is available, and will be paid at the applicable rate for the position.

If capable of doing the work, the employee will be assigned to a temporary, part-time or casual position and will hold that position until successfully obtaining another seniority position, in accordance with promotion criteria as established in the Local's Agreement. The judgment of the Corporation shall not be exercised in any arbitrary or discriminatory manner. The Corporation will make every reasonable effort not to engage persons enrolled in a post secondary institution at a time when regular seniority employees are laid off seasonally.
- 14.03 Prior to a staff report being presented to City Council, the effect of which would be to contract out services presently performed by members of the Bargaining Unit and which would result in a consequential reduction of staff in the Bargaining Unit, the Union shall be supplied with a copy of the report.

ARTICLE 15 - CORRESPONDENCE

- 15.01 The Secretary of the Union Local shall be notified by email of all appointments, transfers, job rotations, temporary transfers, lay-offs, promotions, demotions, recalls and terminations of any member of the Bargaining Unit at the same time as the employee concerned. 16.05 Where employees enter into a job-sharing arrangement in a Union position, such arrangements will be in accordance with the appropriate Corporate policy on job-sharing.

ARTICLE 17 - TEMPORARY TRANSFER

17.01 When an employee is temporarily transferred to another position of lower pay, at his/her own request, the employee shall not exceed the job rate of the new position.

- a) No employee will suffer or sustain loss of pay as a result of his/her temporary transfer to a lower job classification from their higher job classification when the transfer is for the convenience of the employer.

17.02 When an employee is temporarily transferred to another position of higher pay rating, the relieving employee shall be placed in the new range that is 5% greater but not to exceed the job rate of the higher rated position.

17.03 For the purpose of defining a lower and higher pay rating in clauses 17.01 and 17.02 above, insofar as hourly rated employees are concerned, the employee's hourly rate shall be multiplied by the number of annual hours of the position to which the employee is being transferred.

ARTICLE 3 – FACTORS OF JOB DESCRIPTION AND RATING

- 3.1 A job description serves to record the basis from which the job is rated and, to compare and judge changes in job content which results, from time-to-time, from new or changed circumstances or requirements of the job.

- 3.2 A job description and the contents therein are for the purposes of rating a job and assigning the job into the proper Job Rate for application of the Job Rate Schedule. The description of a job shall be insufficient detail to enable that job to be identified and rated.
- 3.3 A job description reflects the major duties and responsibilities required for proper evaluation and shall not be construed as a detailed description of all the work requirements inherent to the job.
- 3.4 The rating of jobs on the basis of job content involves certain basic determinations being made with respect to the knowledge, responsibility and effort required and the working conditions involved in each job. In order to reduce possible errors of personal judgement into practical but reasonable working limits, such determinations and considerations are subdivided and refined into an analysis and rating of each job to assess the relative worth on the basis of specific factors which are to be determined by the Joint Job Evaluation Committee.
- 3.5 Job ratings serve to:
- (a) Provide the basis from which to gauge equitable Job Rate relationships between jobs.
 - (b) Form the foundation from which to measure changes in job content.
 - (c) Enable the assignment of jobs into their proper Job Rates in the Job Rate Schedule.
- 3.6 In making the determinations necessary for the rating of a job from the job's content, certain basic characteristics are considered to be inherent in the performance of all jobs and are not considered in the evaluation of any job in this program. These characteristics are honesty, integrity, normal discretion, reasonable care and attention, ordinary tact and common courtesy.
- 3.7 In the application of the Rating Manual, the following general rules shall apply:
- 3.7.1 It is the content of the job that is being analyzed, not the individual doing the job.
 - 3.7.2 Jobs are to be evaluated without regard to existing wage rates.
 - 3.7.3 Jobs are to be placed in the appropriate level in each factor by considering the specific requirements of each job, the factor definition, the description of each factor level.
 - 3.7.4 Workload is not a consideration when evaluating a job.

- 3.7.5 No interpolation of factor degrees is to be made in the use of this programme (i.e. no insertion of a factor that falls between the established degrees of the factor).
- 3.7.6 The job description and rating of each job shall be relative to, consistent with and conforms to the job descriptions and ratings of the benchmark jobs and all other jobs in the bargaining unit.

ARTICLE 4 – MAINTAINING THE JOB DESCRIPTIONS AND RATINGS

- 4.1 It is important that the Corporation maintain accurate job descriptions and job ratings on an ongoing basis. Failure to do so will serve to damage the integrity of the Programme. It is the intention of the parties to jointly review all job descriptions over a four-year period. Such review shall commence following the finalization of all appeals and problems that arise with the implementation of this Job Evaluation Programme.
- 4.2 Provisions for maintaining the job descriptions and job ratings and making the necessary adjustments that occur from time-to-time, as a result of a new, or changed, conditions, are as follows:
 - 4.2.1 The agreed-upon job descriptions and job ratings which are in effect from July 1, 1985, and any that may subsequently be agreed upon in accordance with this manual, shall continue in effect unless:
 - 4.2.1.1 The job content is changed by the Corporation.
 - 4.2.1.2 The job is terminated by the Corporation.
 - 4.2.1.3 The job description and/or rating is changed as a result of a successful appeal.
 - 4.2.1.4 The job description and/or rating is changed as a result of a decision of the Referee Panel.
 - 4.2.2 Whenever the Corporation decides to establish a new job, the following procedure shall apply:
 - 4.2.2.1 They shall prepare a job description, which is rated by the Joint Job Evaluation Committee and a Job Rate is established for the new job.
 - 4.2.2.2 An employee(s) shall be appointed or assigned to the new job and a rate applied, in accordance with the Corporation's hiring procedures and the Collective Agreement.
 - 4.2.3 Whenever the Corporation changes a job, but the change in job content is less than required to move the job to a different Job Rate, they shall prepare a new description and rating for the job and shall submit this information to Local #1540 in accordance with Article 5 of this document.

- 4.2.4 When an agreed-upon change or accumulation of changes in the content of a job results in a change upwards or downwards in the Job Rate:
- 4.2.4.1 The existing description and rating of the job shall be replaced by a revised job description and revised job rating, taking into account the changes in job content and the revised job description and job rating shall be deemed to have been established in accordance with Article 5 of this document. It shall be appropriately signed by the representatives on the Joint Job Evaluation Committee.
 - 4.2.4.2 The revised job shall be reassigned to the appropriate Job Rate in accordance with Article 6 of this document and their assignment shall become effective from the first date of the most recent change in job content, on the next payroll following the evaluation date. If applicable, the provisions of Article 4.2.2.5 and Article 4.2.2.6 shall apply to an employee who was assigned to the job.

- 4.2.5.1 Local #1540 shall notify the Corporation i.e. appropriate supervisor with copies to Department Head and Assistant Director in writing of its contention that the job has changed, the reasons in detail for its contention and a request that a new description and rating be prepared for the job in accordance with Article 5 of this document.
 - 4.2.5.2 If the Corporation finds Local #1540's request to be justified, a new job description and job rating shall be established and a new Job Rate shall be assigned to the job in accordance with the provisions of Schedule "C" (Rating Manual).
 - 4.2.5.3 If the Corporation does not find Local #1540's request to be justified, they shall notify Local #1540 in writing, of its decision, within fifteen (15) working days following receipt of the Local #1540's written request. Local #1540 may within thirty (30) days following receipt of the Employer's decision, refer the dispute to the referee panel. All relevant job evaluation documentation shall be available for presentation as evidence.
 - 4.2.5.4 If it is determined that Local #1540's request or appeal is justified and a new Job Rate is assigned, the new Job Rate, except as otherwise provided, shall be effective as of the date the job was referred to the Referees.
- 4.2.6 If a change in job content results in a lower evaluation and Job Rate for a job, the incumbent of such job whose existing Job Rate is thus higher than the established Job Rate of the changed job, shall be identified as being "Red Circled".

Each such incumbent employee in a designated "red-circled" job with an assigned "red-circled" job rate. As a result of a lower rating, due to a change in the job content, shall continue to receive such "red-circled" job rate until such time as economic adjustments cause the revised job rate to surpass the "red-circled" job rate.

- 4.2.7 If a change in job content results in a higher evaluation and wage grade for a job, the incumbent of such job whose existing Rate is thus below the established Job Rate of the changed job, shall be identified as being "Green-Circled".

Each such incumbent employee in a designated "green-circled" job, with an assigned "green-circled" Job Rate, as a result of a higher rating, due to a change in job content shall receive the assigned "green-circled" job rate as provided for in Article 4.2(d) (ii).

- 4.2.8 The Corporation shall notify Local #1540 in writing within twenty-one (21) working days of any change in the identification details of a job, i.e. department, job code or job title.

- 4.2.9 If the Corporation decided a job classification is dormant, Local #1540 shall be notified, in writing, within twenty-one (21) working days of such decision.

- 4.2.10 In the event an out-of-schedule rate for a job classification is introduced by the Corporation, Local #1540 shall be notified and it shall continue in effect until the Employer decides that the conditions which gave rise to it no longer exists. At that time the rate for the job classification shall be the evaluated rate, but any employee who was being paid the out-of-schedule rate shall continue to be paid the equivalent of the out-of-schedule rate, while working in the classification, for a period of three (3) months following the Employer's termination of the out-of-schedule rate. All employees to whom this clause is applicable shall be notified accordingly, of the evaluated rate for the job classification.
